Dear Parents,

St. Andrew's Nursery School and Kindergarten has parent volunteers who work hard at getting publicity in the local papers for our school. We also have a wonderful and informative website. The publicity, our website, as well as our brochures are all great ways to introduce our school to families searching for a nursery school.

If you agreed to have your child's photo included in the paper, on the website, or in a brochure, we will need your permission to do so. Sometimes the newspaper will request names and towns of residence, for the website and brochures, at no time are names or addresses given of children photographed.

Please complete the form below, if you have any questions, please feel free to call our office.

Thank you for your cooperation.
