Dear Families,

St. Andrew's Preschool and Kindergarten has volunteers who work hard at getting publicity in the local papers for our school. We also have a wonderful and informative website. The publicity and our website are great ways to introduce our school to families searching for a preschool or kindergarten.

If you agree to have your child's photo included in the paper, and/or on the website, we will need your permission to do so. The newspapers request first and last names in order to develop interest by their readers. **For the website, no names or addresses are ever given.**

If we do not receive this form back, or if nothing is checked, we will assume that permission is given.

Please complete the form below, if you have any questions, please feel free to call our office.

Thank you for your assistance.
