Dear. St. Andrew's Families,

For over 45 years, St. Andrew's Preschool and Kindergarten has committed itself to putting children first. Founded as an outreach ministry of St. Andrew's Episcopal Church, the school exists to serve not just its students, but also the community at large. **Your generous support** is vital to ensuring that we can continue to help students grow by encouraging children to develop a positive self-image, confidence and an innate love of learning. It is with this purpose that we have established The St. Andrew's Preschool and Kindergarten Annual Fund Drive, and we are asking for your financial support.

The Annual Fund was created to help cover the gap between tuition revenue and the full operating cost of St. Andrew's School. Last year your generous donations helped to raise **over \$1,500** for St. Andrew's School. This was used to purchase Chromebook computers to ensure open communication between teachers and parents. It also helped start a professional development resource library for the teachers. This year we're hoping to raise **\$5,000** so we can continue to help St. Andrew's School grow and thrive.

Please join us in continuing to help our children learn and grow for the next 45 years by donating to this important cause. Please make checks out to St. Andrew's Preschool and Kindergarten or visit our Website at [www.standrews-school.org](http://www.standrews-school.org) and make a donation via Paypal. Did you know that many corporations offer employee giving programs where they match donations? Check with your employer today to see if matching gifts is an option! St. Andrew's Preschool and Kindergarten is a Nonprofit Organization, and all gifts are tax-deductible to the extent allowed by law.

Sincerely,

Deborah V.H. Cook  
School Director
